*The Art of Beautiful*

A perfect crescent moon hugs a sheltered bay

Enter a world of magical mystery and prepare for surprises

Right on target. Archery needs a steady hand and a straight eye

A cruise ship staircase gives a nautical twist to the interior of the lobby

Irresistible ripples on the water invite a cool swim

A long, lazy lunch with toes in the sand

Chefs demonstrate their culinary skills at the buffet

Sip a long cool drink before lunch

*The Art of Beautiful*

Pathway to the stars. Lanterns light the way to dinner

An ancient fort turns into a playground for little ones

Take the stone steps to wellness high in the branches of a banyan tree

A rustic massage cabin suits the theme to perfection

*The Art of Beautiful*

Families love the split level duplexes. Children stay upstairs and parents below
