at Risata Bali Resort and Spa

When your soul beckons for more, embrace the Sukha Spa. Surrender to the healing hands of a trained therapist in a truly pampering ambience.

Uplift your spirit with melukat floral bath. Rejuvenate your soul with lulur traditional body scrub. These are special treatments that were used by princes and princesses of Royal blood, formulated into present day usage to revitalise the natural glow of your skin.

spa

Healing by water has never been this good. Replenish depleted energy levels with a traditional body massage. An array of essential oils is used to restore, integrate and harmonise.

You have earned it. You deserve it. Give yourself the gift of balance.

massage magic

Discover the therapeutic benefits of massage at Sukha Spa to alleviate stress and muscular tension. A traditional Balinese massage treatment uses deep stroke kneading techniques that have been passed down through generations of local healers.

Feel yourself unwind with an 'east meets west' relaxation massage. Alternatively, try an acupressure treatment that is based on the ancient theory of stimulating pressure points to address certain health concerns.

body scrub

Give your skin a new lease of life with a natural body scrub that will leave you feeling radiant. Take pleasure in an invigorating sea salt scrub to remove impurities and enhance circulation.

A garden scrub made from a paste of locally grown ingredients has deep cleansing properties. While the lulur Bali is a timeless body polish that uses a blend of indigenous herbs and spices.

body mask

A body mask is essential to nourish skin that has been exposed to the sun and the effects of modern living. A conditioning avocado wrap infused with aloe vera gel restores skin back to its former glory.

A traditional Balinese body mask soothes muscular aches and pains with a warming application of spice paste. Another specialty uses local mud and the fragrant leaves of the dadap tree to lull your body into state of sublime relaxation.

face and hair care

Choose from two facial treatments for a youthful glow that will make you look good and feel even better. Both options use natural sourced ingredients that are free from chemicals and preservatives.

Treat your locks to a traditional Indonesian head and scalp treatment that will give your hair a healthy shine. A lavish application of moisturising cream is massaged into the scalp to strengthen roots and promote new growth.

pampering package

Take an hour or two to experience the full benefits of Sukha Spa. Our pampering packages feature different treatment combinations to awaken the senses on a physical and spiritual level.

Each ritual is a nurturing journey that enables you to clear your mind and drift into a parallel dimension. Take delight in this precious time alone or share the wellness sensation with that someone special in your life.

A woman is sitting on a low wooden table inside a traditional thatched-roof pavilion. The pavilion has a wooden frame and a thick thatched roof. It is situated on a raised stone platform with steps leading up to it. The surrounding area is lush with tropical plants, including palm trees and various shrubs. In the foreground, there are large green leaves and a small white dragonfly logo in the bottom left corner.
