The Art of Beautiful

Wriggle your toes in the fine white sand

The cool blue ocean beckons a swim

The huge pool is the signature of the resort

Change the scene for each meal of the day

Work on that team spirit with some beach volleyball

Cool white shades say welcome to the spa

Stay in shape to look great on the beach

With Beachcomber, kids are king

High ceilings and earth shades give that natural feel

Warm wall finishes spark up the colour scheme

Bright bougainvillea create a splash of tropical colour

Authentic beach bar atmosphere
