* Nitrox dive gas

Nitrox, also known as 'Enriched Air nitrox' is a breathing gas with increased oxygen percentage. This specific composition differentiates it from other common diving gases.

Benefits of diving with Nitrox

• Safety • Extended Bottom Time • Shorter Surface Intervals • Longer Repetitive Dive Times • Reduced Exhaustion

E-Learning must have registered with PADI using the PADI dive school number. All courses include books, Registration (PIC), Tuition and equipment.

N.B. At PARADIS / DINAROBIN BEACHCOMBER: Divers diving with their own equipment are entitled to deductions.
