The hotel, with its 67 rooms, combines harmoniously the Mauritian traditional architecture and contemporary exotic decoration. Wood everywhere... a true witness of the influence of the original East India Company's style. The open spaces bathed in sunlight suggest a serene and refined décor.

The hotel allows each one to enjoy peacefully the beauty and character of the spot. Those fond of intimate havens will choose the cove and its numerous love nests to share moments together. At the far end, the Peninsula with its new Infinity Pool overlooking the turquoise lagoon offers a spectacular view on the northern islands; its Indigo restaurant and Pop-in bar is a real invitation to those looking for a vibrant and trendy atmosphere by the sea.

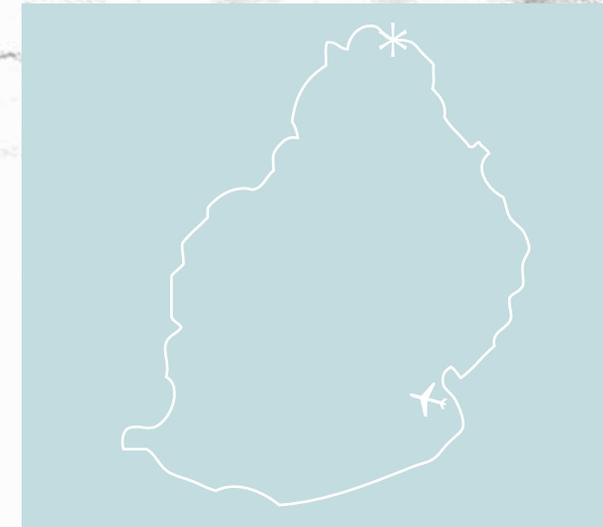

Numerous nautical and land activities are available. There are four restaurants and a unique 'Dine Around' experience. At sunset, live acoustic music and piano-bar are an absolute guarantee of a nice evening within a convivial atmosphere.

All of this together with its attentive and smiling Family Members, its personalized service, its Club Lounge and Spa, Paradise Cove Boutique Hotel is the place where you&me can share moments... totally unexpected, therefore so exceptional...

you&memoments

“Life is not made up of minutes, hours, days, weeks, months, or years, but of moments. You must experience each one before you can appreciate it.” — Sarah Breathnach

simplemoments ❁

rise with the sun

Sunrise, solitude and a cup of hot coffee.

Is there a better way to start the day?

do nothing

Spend time doing nothing. Just
the two of you, the sun and
the sound of the sea.

star watching

We are very, very small. Nothing reminds us of
that like the night sky.

forevermoments ❁

candlelight

Share a seafood platter and a laugh over the cove.

orange & blue

The sun may set every day, but it doesn't always feel like this...

I do

All you need is the people closest to you. The island will take care of the rest.

momentstobreathe ❁

lounge

Every now and then it's good to duck in out of the heat and just lounge around.

sail into the sunset

Anchor down around the Northern islands and watch the sun set from the Paradise Cove catamaran.

open air spa

Unwind. Outside. Together.

walk & talk

Our splendid gardens are the perfect chance to reconnect, at last.

vibrantmoments✿

bike

Take a bike around the island, local style, and see a different side of its beauty.

dive in

The water's crystal clear and warm, all day and all night. So is the cove and so are the pools. Just dive in.

friends

With so many like minded people in one place, you may just make a few new friends. And that was never a bad thing.
