

Karafuu Beach Resort & Spa

Zanzibar

OVERVIEW

Karafuu is ideally located on a blissful stretch of palm-fringed beach on the east coast with largely international clientele. Warm hospitality comes naturally to the Swahili staff who are always on hand to assist with a smile. Due to the tidal variations on the east coast Karafuu is one of the few hotels where you can enjoy swimming at low tide – a concrete path in front of the hotel leads you from the beach to a permanent natural depression in the ocean bed just 200 metres offshore offering a giant natural swimming pool. The hotel has all the expected facilities: fully-equipped Diving centre, boutiques, tennis courts, gymnasium and Spa.
