The Reef Beach Lounge

Gourmet Lounge

In the heart of the Zen zone, between the pool and the white sand beach, the Beach Lounge has an enchanted look about it, especially after dark when there is a subtle play of lights. The harmony of soft colours and natural materials makes it the ideal place to sit down any time of day. From a late breakfast to a healthy lunch, with a grilled fish and fresh vegetables for example, you will find something to suit you, whatever the hour. In the evening, the refined atmosphere blends perfectly with the à la carte menu of Creole specialities.

Turtle Cove

Main Restaurant

In tribute to the turtle, the oldest inhabitant of the island, the areas of the main restaurant celebrate its first moments of life with 3 different atmospheres: the jungle, the beach and the sea. Opening onto the pool with the ocean in the background, the restaurant offers Creole cuisine as well as international classics. The area is separated into specific spaces to celebrate the culinary heritage, with special attention paid to Asia and India.
